

# Login to PBIS Rewards Student Portal with a Code

1

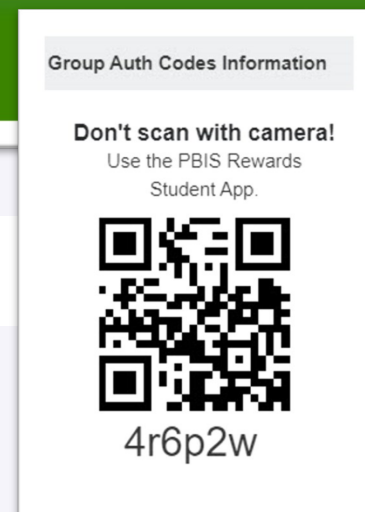

Student Portal Access is available in a web browser at  
**[pbisr.navigate360.com](http://pbisr.navigate360.com)**

The image shows two screenshots of the PBIS Rewards Student Portal. The left screenshot is the login page, titled "Navigate360 PBIS Rewards Student Login". It features several sign-in options: "SIGN IN" with a Google logo, "ClassLink", "Clever", and a field for "Enter Teacher Code" with a "SIGN IN" button below it. A "Need A Code?" link and the "Navigate360" logo are at the bottom. The right screenshot shows the "Student Portal" dashboard. It has a green header with a graduation cap icon and the text "Student Portal". A user profile is visible in the top right corner with a "Balance: 20" and a "Check" button. The main area contains six tiles: "My point details", "School store", "Pending purchases", "Upcoming events", "Upcoming raffles", and "Activate student app".

If you do not have single sign-on with Google, Clever, or ClassLink, a teacher can create a code to give you access.

3

If necessary, you will search for your account in the pop-up and select it.

If you will be the only student user on the computer, select "Remember Me," if available.
