

Talent Show	<i>Virtual:</i> Talent show acts could perform on video conferencing platform**. <i>Hybrid or In-Person:</i> Talent show acts could perform as their class joins a video conferencing call or socially distanced performances.
Escape Room	<i>Virtual:</i> Teacher created clues that each class could work towards answering. Winners could be selected for the fastest finishers for the entire school or each grade level. (see breakout.edu)
Sing-Along Party	<i>Virtual:</i> Video call with the host playing various songs for students to sing-along. Look for songs with lyrics on YouTube. Students could dress up as their favorite singer.
Directed Drawings	<i>Any Setting:</i> Artistic teacher could lead students through a drawing (see YouTube for examples). Drawings could be used as electronic cards to be sent to hospitals or care facilities.
Kahoot Game	<i>Virtual:</i> Each class is a team and parents can join in to watch. Questions could include current events or fun trivia.
Movie Party	<i>Virtual:</i> Watch a movie on video conferencing platform**. Bring your own popcorn and pajama pants!
Bingo Party	<i>Virtual:</i> Use Virtual Bingo Cards (freebingo.com) and each student can play from their device. <i>In-Person or Hybrid:</i> In-person students could use paper Bingo cards and those that join virtually could use an online Bingo card.
Dance Party	<i>Any Setting:</i> Turn the music up and dance! Students could pick songs for points.
Costume Party	<i>Any Setting:</i> Students dress in the theme (Don't Sweat Me (sweats), Book Characters, Decades, Superheroes, Sports, Historical Figure, Career etc.)
Breakout Game Rooms	<i>Virtual:</i> Play specific game (Scrabble, Scattegories, Yahtzee, Pictionary, Room, Charades, Scavenger Hunt, Name that Tune, Simon Says, etc.) in a Breakroom
Read-Along or Storyteller	<i>Virtual:</i> Have a community member or Storyteller join a video conferencing platform and read a special book to students/classes. A mystery reader would be fun! They could turn their camera on at the end of the session to reveal themselves.

**Zoom, Teams, Google Meets, etc.

STEM Challenge	<p><i>Any setting:</i></p> <ul style="list-style-type: none">• Complete a STEM challenge (build the tallest spaghetti tower, straw bridge, build chain reaction, use paper plates to create roller coaster) with household items.• STEM Scavenger Hunt for items (something living, an insulator, something that flies, something powered by batteries)
Award Ceremony	<p><i>In-Person or Hybrid:</i> Awards would be announced through video conferencing platform. Students could pick up awards in school office or from individual teachers.</p> <p><i>Virtual:</i> Awards would be announced through video conferencing platform. Students could pick up awards at a drive thru at the school.</p>
Door Decorating Contest	<p><i>In-Person or Hybrid:</i> Doors could be decorated by each class. Students or other staff members could vote for their favorite door.</p> <p><i>Virtual:</i> Students could design and draw a digital 'door' (drawing that would be displayed as their picture/avatar on a video conferencing platform).</p>

**Zoom, Teams, Google Meets, etc.
