

Star Rewards (Staff)

INCREASING FIDELITY WITH STAR REWARDS:

Encourage yourself to use PBIS Rewards with fidelity with Star Rewards! You will receive one star upon logging into the system for the day, a second star is awarded as you award a point to a student, and a third star will be awarded when you have reached your Daily Point Goal.

If you do not have a Daily Point Goal, or you are untracked, the third star is awarded as you reward students from a group. Every time you earn a star, Teacher Rewards are automatically awarded!

Tips and Tricks PERFORMING POSITIVE USAGE HABITS

Open and login to PBIS Rewards each morning as you complete your attendance.

If you are still struggling to earn stars, ask a student for reminders! Students want to earn points, so they will definitely be willing to help.

Instead of counting on awarding points at random, pin-point key behaviors and make a habit to reward those each time.

Example:
Students turning in homework on time.

Example:
Looking for positive behavior at lunch time.
